STPH HOSPICE MEDICAL DIRECTOR EARNS PRESTIGIOUS AWARD

DR. JOHN MCNULTY, STPH HOSPICE Medical Director, received the prestigious D. Jenson Holliday Award, recognizing his impact in promoting excellence in palliative and end of life care.

“The Holliday award is a fitting recognition for Dr. McNulty,” Angelique Mulina, Hospice Director, said. “He is at the forefront of palliative care and end of life issues and a leader in this sensitive and caring area of medicine.”

Mary Bird Perkins Cancer Center asks individuals in all areas of their 14-parish service area to nominate someone in their community who has made a true difference in the fight against cancer. That person is recognized each year at their leadership meeting and is the recipient of the D. Jenson Holliday award. Mr. Holliday was a long-time cancer patient and Chairman of the Board at Mary Bird until his death from cancer.
